ABOUT IEEE

- IEEE is the **world's largest** technical professional organization.
- Acts as a bridge between academia and industry.
- Empowers students and professionals through knowledge and opportunities.
- Provides a global platform for young innovators to **transform ideas into impactful technologies**.
- Offers industry-driven exposure, networking, and professional growth.
- Through conferences, publications, and standards, **connects students** with experts worldwide.
- Fosters innovation and prepares members to lead the **future of technology**.

ABOUT IEEE SB CEK

- One of the **oldest and most distinguished** student branches in IEEE Kerala Section
- Globally recognized for leadership and developing future-ready engineers
- Flagship initiatives: **IPRECON, LUXATHON, AITHON, AIROB, GEOSYNC, WIPS**
- Awarded **Outstanding Student Branch** in IEEE Region 10 several times.
- Recipient of **multiple global** accolades for excellence and innovation
- Organized 3 editions of **India's first and only** IEEE Club of 6 Technical Paper Conference
- Organized 5 editions of **India's first** electrical illumination hackathon

WHAT IS VISTA

VISTA, organized by **IEEE SB CEK** in association with **IEEE IAS SBC CEK**, is a dynamic summit that unites innovators, investors, and industries on one platform. It features idea pitching, cutting-edge **expos**, interactive stalls, skill **workshops**, **leadership sessions**, and an exclusive **placement drive**, making it a gateway to innovation, collaboration, and career growth.

Key Highlights:

- **Idea Pitching** – Platform for innovators to present to investors
- **Expo** – Robotics, drones, and emerging technologies
- **Technical Stalls** – Tools, solutions, and innovations
- **Non-Technical Industry Stalls** – Exhibits beyond core tech fields
- **Startup Stalls** – Spotlight for budding startups
- **Placement Drive** – Careers with top recruiters
- **Cultural Night** – Celebration of talent and creativity
- **Talk Sessions** – Keynotes and panel discussions
- **Hands-on Workshops** – Guided practical learning
- **Networking Session** – Connect with leaders and peers
